

# TOUR MANAGERS WANTED!

## ADVENTURE AND TRAVEL ANYONE?

**NZET - New Zealand Educational Tours is the largest youth travel company in Aotearoa!**

We transport over 1000 international high school students around NZ and overseas per year! We are also an inbound tour operator hosting overseas educational groups of all ages and sizes from the USA, Canada, Asia and Europe.

We are currently looking at recruiting enthusiastic and organised superstars to join our team as Tour Managers on our extremely popular South Island Adventure tours. There is also the possibility of working with some of our other university and adult groups. This is a paid position, predominantly during the school holidays, once you've completed a training trip as a tour assistant.

Successful tour managers are super organised, have a great sense of humour, think on their feet, and can lead a small team and wrangle large groups of excited teenagers.

If you, or someone you know, would be the right fit for our team, please send an email of introduction to [tours@nzet.com](mailto:tours@nzet.com) for more information.

We look forward to hearing from you!
