

# QUEENSTOWN SKI TRIP

## Ready for a week of Winter Adventures in the Queenstown region?

We base ourselves in a cosy Arrowtown lodge and you'll spend your days skiing and snowboarding the legendary slopes of Coronet Peak, The Remarkables, and Cardrona. After two days on the mountains, we'll have another two days where you can make the most of the adventure capital of New Zealand. We take you up the Gondola and luge and to the ice bar, and you may choose to experience thrilling activities like jet boating, bungy jumping, ziplining, Canyon Swings or skydiving, all set against dramatic alpine scenery. We then head up the mountain for another two days of skiing and snowboarding. This tour blends epic snow, adventure, and a fun, social atmosphere perfect for students.

**\$3750**
