Rainbows End Day Trip

Itinerary

9.15 am

Meet with your Tour Manager and tour group at Downtown Ferry terminal Auckland City

9.30 am

We make our way for an exhilarating day at **Rainbows End, New Zealand's Number 1 Theme park!**

Enjoy the thrill rides such as the 'Stratosfear' the scariest ride in the park with 360 degree rotation up to 30m above the ground. This is one of only 4 of these rides in the world! The 'Invader' will get you spinning up to 70km/hr, 'Fearfall' will drop you from 80 metres high and you will reach speeds of 80km/hr! And the 'Corkscrew Coaster' is always a crowd favourite. Or maybe you like things a little less extreme and would prefer the 'Log Flume' water ride, 'Gold Rush' roller coaster, or the 'Dodgems' bumper cars or racing in the 'Scorpion Race Carts'. There is something for everyone!
